

7TH INTERNATIONAL CONFERENCE ON RECENT ADVANCES IN MATERIALS, MINERALS & ENVIRONMENT 2022

'Advances in Materials, Minerals & Environment Research:
Providing the Path for Sustainable Development'

19 - 20 JULY, 2022
ONLINE CONFERENCE

Accepted papers will be published in Materials
Science Forum/ Key Engineering Materials/Applied
Mechanics and Materials/ Advances in Science and
Technology
Scopus-indexed Proceeding

**Next Generation Materials For
Sustainable Development**

**Innovation In Polymeric Materials
For Sustainable Development**

**Advances in Mineral Resources Engineering
For Sustainable Development**

RAMM 2022 is the 7th in the series of RAMM organized by School of Materials & Mineral Resources Engineering (SMMRE) USM. The RAMM 2022 will open the participation to local & international delegates, academics, postgraduate students, scientists, researchers, engineers, managers, product developers, business leaders and professionals. The conference will become a perfect platform to share, discuss and exchange ideas on the latest development and recent findings in research studies related to advanced materials, minerals, and environment.

REGISTER NOW

<https://ramm2022.eng.usm.my>

The objectives of the conference are to serve as a platform for discussion, exchange ideas and expertise among researchers, academicians, scientist, engineers, and postgraduate students from local and international countries. On top of that, participants can showcase their research findings and shows their credibility in Materials, Minerals & Environment Engineering. The theme is 'Advances in Materials, Minerals & Environment Research: Providing the Path for Sustainable Development'. RAMM 2022 will provide an excellent opportunity to keep up to date with latest achievements and development in this fast moving and high technology-based fields (Materials, Minerals & Environment Engineering). Furthermore, interactions between participants from academic field and industries during the conference will benefit both parties by the exchange of ideas in the current development and technology in all three field of studies.

SUBMISSION

FIRST CALL OF PAPER:
15 January, 2022

ABSTRACT SUBMISSION
DEADLINE:
15 June, 2022

NOTIFICATION OF ABSTRACT
ACCEPTANCE:
15 May, 2022

PAYMENT DEADLINE:
15 June, 2022

FULL PAPER SUBMISSION:
19 July, 2022

REGISTRATION FEES

International participant: **USD 167**

Local Participant: **RM600**

Sponsored by:

The Secretariat RAMM 2022

School of Materials and Mineral Resources Engineering,
USM Engineering Campus, 14300 Nibong Tebal, Penang, MALAYSIA.
